

Join Northwestern's CAFAE Club Today!

A campus club committed to increasing **awareness, education, and support** for college students with **food-related conditions** (e.g. food allergy, celiac disease, etc.) across the nation!

Support

- Help each other navigate campus life with food conditions
- Lead discussions surrounding dining on/off campus, social situations, sports, and more!

Educate

- Meet with allergy experts in the field
- Learn signs and symptoms of allergic reactions and how to respond in an emergency

Advocate

- Brainstorm ideas to improve the quality of life for students with food conditions
- Advocate together to create a safer, more inclusive campus for all!
